Edition of 50 + I, signed and numbered
in a box, including 1 sample of the book "Bundesstraße 1"

Peter Köllerer spent several years along the national highway B 1. He took the time to stop, ponder, and make photographs, catching it all: the ridiculous, the small and repellent, the lonlyness and melancholy of the area: brick-walls, entrance doors, fileds and gasoline stations, high seats and all the deposits of time along the road.

Biography: Born 1970 in Linz. Lives and works in Vienna.
