Raalrohm, Frederike Schweizer / Sissa Micheli, Johannes Stoll, Gabriel Tempea, Julian Turner, Gerhard Veismann, Simon Veres, Thomas Wagensommerer, Flora Watzal / Miriam Bajtala, Letizia Werth, Peter Wehinger

Graphic design: Miriam Rech

Publication date: 2011

unORTnung was a series of six exhibitions in Vienna in which abandoned, historical and/or significant buildings were occupied. The potential of the inactive spaces, and their histories, were revitalized by the flocks of artist interventions, creating new opportunities for an ephemeral, critical, self-reflective usage oriented on a very contemporary understanding of art: reasonably priced, networked, site-specific, NOW, subversive, and festive.
