German/English, 276 pages, 18 × 24 cm, 420 color illustrations, softcover

Texts by Elisabetta Bresciani, Marco De Michelis, Catherine de Smet, Egidio Marzona and with an interview of Elisabetta Bresciani with Egidio Marzona

Graphic design: Erika Ratvay

Publication date: 2003

Over 500 books on the architecture of the 20th century from the Marzona Collection are represented in this catalogue book by the Italian curator Elisabetta Bresciani. The books are bibliographically compiled, documented in photos and commented on as to architectur and typographic history. The strong parallels between architecture and typography focused on here highlight the book as an authentic and independent medium of expression and design for the architects of modernism.
